

Andonian Cryogenics Inc.

Special Offer

Limited time offer.

With the purchase of our HP-40 Liquid to Gas Transfill System you will receive a **FREE 8** Foot Economy Transfer Line and your choice of **one** of the following free items.

Please check the box next to the item you would like to receive.

1: 240 Liter liquid container.

Factory Rebuilt 240 Liter liquid only container.
Can be used to fill the HP-40 Transfill system.
Fill off of your existing bulk tank or send to your supplier for filling.
A \$2,058.00 Value.
Part # GP-240-R

1: Six cylinder fill cart.

Great addition to the HP-40 system.
Six-cylinder fill cart with speed controls.
Use when you do not have enough cylinders to fill using the 20 cylinder cart.
The installed speed controls slow down cylinder filling so that the cylinders do not overheat.
A \$888.00 Value
Part # M-6E

Instructions: Print out this form; check the box next to the one free item you would like to receive and send it in with your completed purchase order.

Only one item per order allowed.

These are reconditioned items not new and may contain minor cosmetic defects.

Offer is good as long as the supply of containers and carts last and only on new orders entered after 4/01/09. Not applicable to current orders.

Does not include shipping and handling charges.
